## תאנים FIGS זיתים OLIVES

Dear Parents,

We began the week reflecting about what we did over Rosh Hashana. Each child drew a picture of what he did and hung it up in our art gallery. Over the week the children kept referencing back to their picture and sharing it with their friends. It gave way for great conversations and pride in their own work. This helped us jump into the next holiday of Yom Kippur. We loved learning the story of Yonah and the big fish which is read on Yom Kippur. Here are some other activities we did this week.

Music Time

Our sensory table was filled with water this week to go along with the Yonah story. One day we made boats out of foil and watched them float in the water. The other days we searched for little fish and played with them in the water.
